Vision and Action Plan

The Saskatoon Saskatchewan Stake Plan for Action is linked tightly to the Area Plan for the United States and Canada. That plan may be summarized as follows:

Vision – Become, and help others become, true followers of Jesus Christ and enjoy the blessings of the holy temple.

Area Priorities and Supporting Goals

1. To live the gospel of Jesus Christ, we will:

- a. Strengthen ourselves and our families by receiving the ordinances of salvation and exaltation and keeping the associated covenants.
- b. Strengthen our faith in Heavenly Father and His Son Jesus Christ and His Atonement by regularly studying the Book of Mormon and by honoring the Sabbath day.

2. To gather Israel through missionary work, we will:

- a. Teach repentance and baptize converts.
- b. Rescue less-active members.

3. To care for the poor and needy, we will:

- a. Build spiritual and temporal self-reliance.
- b. Live the law of the fast and serve others.

4. To enable the salvation of the dead, we will:

- a. Find family names.
- b. Take family names to the temple for ordinances and teach others to do the same.

Following Elder Brent H. Nielson's counsel from our September 2016 stake conference, the stake presidency invited unit leaders to a visioning session. This event was held November 5, 2016. After reviewing the Area Plan and the insights of the group, we have refined our vision to the following: determined that the Saskatoon Saskatchewan Stake Vision is:

Our Vision is to change our hearts and become true followers of Jesus Christ, by:

- Having a personal mighty change of heart (Alma 5).
- Turning the hearts of the children to the fathers and the fathers to the children (D&C 2; Malachi 4).
- Sharing heart-changing stories.

The Saskatoon Saskatchewan Stake Goals are:

1. **Self-Reliance:** This is our divine responsibility – to care for the poor and needy
2. **The Rescue:** We will continue to work with the full-time missionaries. We will make weekly assignments at huddles of the ward council and full-time missionaries.
3. **Temple and Family History Work and Stake History:** We will use a combination of special events, such as Family Discovery Day, and sustained support to members in the wards and branches to help members link their research to the ordinances of the temple.

The tools provided by the Stake to help unit leaders and members accomplish the Stake Vision and achieve the Stake Goals include:

- Establishing the Aaronic Priesthood and Melchizedek Priesthood Committees. This provides every bishop or branch president with a fully focussed High Councillor and his brethren to help that unit leader deal with his issues and opportunities to change hearts, build testimonies and improve all aspects of discipleship. It allows every Elders Quorum President or High Priests Group Leader to receive the support of a focussed High Councillor and his brethren to help reach out into the homes of all members, as they work to seek out the needy, strengthen the growing and redeem the lost or dead.
- Provide special events to increase member desires to do temple and family history work, such as the Family Discovery Day or Stake High Priests Quorum Temple Excursions.
- Implement a fully functional Self-Reliance program, with strong stake support for units across the stake.
- Enhanced leadership training, focussing on quorum or council meetings to help change the hearts of individuals and families, and report back to the quorum or council on success stories.
- A revised thrust for home teaching, moving away from metrics and towards linking changes of the heart to receiving ordinances, culminating in temple attendance.
- Support for youth leaders through more Stake level activities to allow fellowship and support to the youth from all units.

Seminary Graduation – June 10

On Saturday June 10, 2017 youth from all over the stake came together for a youth activity planned by the Stake YW & YM and the youth committee. There were 17 youth in attendance, including four grade 8 youth that will be going into seminary in September. Fun was had by all. After the activity the youth, their parents and leaders had a wonderful ham meal together. The graduation ceremony was held after the meal. All of the certificates handed out this year were completion certificates, meaning that all those receiving their certificates completed their attendance, reading the New Testament, and assessments. There were four graduates who received their diplomas. Julie Livingstone and Hyrum Wright delivered powerful well prepared talks that expressed their dependence on Christ and how seminary fortified their testimonies and helped them develop a habit of daily scripture study. President Spencer, 2nd Counselor in the Stake Presidency, also addressed those in attendance. His message was edifying and encouraged the youth to stay true to their testimonies and how seminary will help them do that.

The graduation on June 10th celebrated the hard work of the students and teachers for the 2016-17 seminary year. At the end of the year 22 youth were enrolled in seminary with 15 completing. In November 2016 it was brought to the attention of the stake and member of high council over seminary that some families were finding taking their youth to seminary every day challenging. Brother Clarke (high councilor) and President Spencer developed a survey for families to fill out. This helped the stake come to the decision to offer an online seminary class for the youth in the city. This took the place of the daily class meeting 5 days a week. The online class met every Monday and then for the other 4 days did computer lessons. This seemed to strike a balance for families and allow students to participate in seminary. The teachers that taught this past year in the stake were: Susan Derry, Lorene Froc, Kevin Ledding, Michelle McGinn; Angela Rodgers, Carole Spencer, and Carol Wright.

Stake Young Mens Camp – July 24-27

Camp was held at Blue Mountain Adventure Park east of Battleford. We arrived Monday and set up camp just before it started raining. It seems that all YM camps are "blessed" with rain. We are considering using our power over the weather to help with forest fires and drought. Monday night's fireside was about Zion's Camp and we learned how the Lord can use our present circumstances to strengthen us for future challenges. The rain stopped during the night and we enjoyed hot and sunny weather for the rest of the time. Tuesday's activities included a challenge course in the morning and zipline in the afternoon. At the challenge course, the young men (and leaders) had the opportunity to learn to work together by walking in unison on long boards, building a bridge over "lava" and navigating a minefield blindfolded. The zipline involved a short hike up a hill followed by riding 500m to the end. Only Brother Lowen was brave enough to try it as superman. The evening was dominated by touch football and capture the flag. Tevita provided a fireside on general leadership principles and how they can be applied to all aspects of life and priesthood. Activities on Wednesday were archery and more football in the morning, a short hike, wall climbing and paintball in the afternoon and evening. Wednesday night was spent talking about the fun activities and enjoying each other's company.

Our goals for young men's camp were to provide our young men the opportunity to get to know each other better, build friendships with peers that share their same challenges and commitment to the Gospel, and have fun. I am confident that we accomplished all our goals.

As always, I am deeply impressed by our young men. They are inviting and inclusive and they strengthen each other in the gospel. One of our young men was apprehensive about coming to camp because he didn't know the other young men very well and wasn't sure if he would make friends. He didn't leave camp with friends so much as with brothers in the priesthood.

Adult Events

Mar 18 – Stake RS 175th Celebration

Over 100 sisters in our stake gathered together on Saturday, March 18th, 2017 to celebrate the 175th anniversary of the organization of Relief Society.

The focus was on our motto "Charity Never Faileth". We attended two workshops and participated in a service project. Dinner followed, then we enjoyed a fun musical skit and a few talks on the work of Relief Society.

Together with gracious donations from some Saskatoon grocery stores, we met our goal of assembling 175 birthday bundles that were donated to the Saskatoon Food Bank. Each bundle consisted of a cake mix, container of icing, birthday candles and a birthday card.

Institute Graduation – Apr 9

This past year young adults in the stake had the opportunity to study the following institute courses: The Book of Abraham; Teachings and Doctrine of the Book of Mormon; and Foundations of the Restoration. These classes provided opportunities for the young adults to ask questions and learn about church doctrine and church history. Classes were offered Thursday evenings, with an online class at 6:30pm and a face to face class at 8pm. The average attendance in the online class was 3 students and the average attendance in the face to face class was 12 students. There was a good turnout of recently returned missionaries, with Will MacInnes, Howard Ortiz, Dean Cayabyab, and Logan Froc being regular attenders. One highlight of the year was Cy Callanta inviting people to institute class as he read his mission call to the Philippines. The restructuring of the Stake YSA committee overseen by Brother Don Tanner and the calling of a new shepherding couple Brother & Sister Linka seemed to rejuvenate the YSA of the stake, thus benefitting institute through participation and enthusiasm.

To celebrate the 2016-17 year of Institute, Danae McGinn (Institute President) worked with the Stake YSA committee planned and carried out a combined Institute Graduation and YSA fireside on April 15, 2017. The evening started out with pizza, pop and ice cream treats followed by the Institute Graduation, conducted by Danae McGinn and presided over by President John Spencer, 2nd Counsellor of the Saskatoon Stake Presidency. President Spencer shared some remarks about the importance of education, secular and spiritual. Brother Shawn Reid, Saskatchewan Coordinator of Seminaries and Institutes, congratulated the young adults on their efforts in institute and then handed out 3 diplomas

(Christine Burgess, Ashley Sequin, and Natalie Sofoifia) and certificates of attendance and completion. The evening ended with a fireside presented by President Spencer focusing his remarks on the blessings of a Patriarchal blessing. This was well received by the 14 young adults in attendance. Overall it was a nice evening where leaders and young adults socialized and were taught by the Spirit.

General Womens's Meeting – April 16

We held a stake Women's Conference with the theme "Abound in Hope". A total of 110 sisters attended. Our day was filled with opportunities for sisters to strengthen their resolve to overcome challenges and become stronger followers of the Savior. We learned about how to look for hope in all aspects of daily life. Our workshops varied from the eternal importance of hope to the significance of laughter in our lives. For our service project, we collected a total of 168 brightly-colored children's pillow cases. These were made and donated by the sisters in the hopes of brightening the lives of children battling long-term illnesses.

It is with profound sadness that we announce the passing of Paul Martin Ericson at home on March 7th, 2017 at the age of 62. He was born in Winnipeg on July 27th, 1954 and raised in Fort Frances, Ontario in very humble circumstances. He did not let his difficult beginning hold him back and pulled himself up by his bootstraps. After serving a two-year church mission in France as a young adult, he moved to Saskatoon where he met and married the love of his life, Kelly Andrews. He proposed to her on a billboard at the top of the Broadway Bridge for all to see! Paul was a life-long learner, earning a BA, B.Ed., MA, M.Ed. and becoming a clinical hypnotherapist. In 1987, he moved his young family to France for one year, returning five and a half years later with a third child in tow. A fourth child completed the family a few years later. His teaching career took him to Big River, Rosetown, Strasbourg (France), James Smith First Nation, North Battleford, St Louis and Prince Albert. He taught at all grade levels, ending his career loving his Pre-K students! He found great satisfaction helping others in his clinical hypnotherapy practice, including seven years teaching HypnoBirthing with Kelly. Paul had an unquenchable zest for life and a wonderful sense of humour. He was very adventurous, spontaneous, and a go-getter, achieving whatever he set his mind to. His travels with Kelly took them throughout Britain, Europe from Scandinavia to the Balkans, Australia, China, Israel, Grand Cayman, Mexico, Hawaii and Mainland USA. A voracious reader, he was often found with a book, red pencil, and a ruler in hand. Paul was a kind hearted and generous man, always looking for opportunities to help others in need. He was contemplative and spiritual yet bold and a man of action. He loved his family dearly and they loved him. He is survived by his wife, Kelly Ericson; children, Graham (Kendal) Ericson, Kirsten (Tevita) Lui, Nathan Ericson and Evan Ericson; grandchildren, Ned & Gus Ericson and Taylani and soon-to-be-born baby Lui. Also brother-in-law, Bob (Margaret Day) Andrews & sister-in-law, Tracy Andrews, sisters, Erna Lapa and Alona Burger. He will be missed. The Funeral Service will be held at 10:30 a.m. on Saturday, March 11 at The Church of Jesus Christ of Latter-day Saints (339 Fairmont Dr. Saskatoon, SK). Following the reception, the interment will take place at Woodlawn Cemetery. In lieu of flowers please consider donating to the Leukemia and Lymphoma Society of Canada (www.llscanada.org).

(Based on a true story)

"There is a resurrection, therefore the grave hath no victory, and the sting of death is swallowed up in Christ" (Mosiah 16:8).

"Look at how squished together the houses are!" Richard's younger brother, Michael, said, pointing to a row of matching doors. "Are there any kids my age around here?" he asked.

"I'm sure there are," Mom said, pulling another box from the car.

"Yeah," said Richard. "Look at all the toys and bikes in the yards."

Erika stroked Jewel and tickled her tummy as she carried the purring cat to the front door. "I think Jewel likes it here!" she said.

Richard knew why his family was moving here. It was close to the

hospital where Erika was getting treatments.

Even though Erika was older than Richard, she looked smaller and skinnier because of her cancer treatments. The treatments also made her hair fall out. That's why she always wore a bright yellow hat.

"Almost as sunny as her smile," Mom sometimes said.

Suddenly Michael yelled from the hill up the street. "A playground! We have a playground!"

"A playground?" Erika started walking up the street, her smile even bigger. "Let's go see it!"

As they got closer, Richard saw a big sign on the fence: "UNSAFE—DO NOT PLAY." The swing set was broken, and a few rusty pipes were lying around.

"That's sad!" Richard said. "I bet there

are lots of kids around here who would love a place to play."

"We could fix it!" Erika said. She sounded excited, like she could already see the way it would look.

"Could we, Mom?" Richard asked.

Mom shrugged. "I don't know, kids. That would be really difficult."

Erika looked at the playground. Her smile had faded, but her hat still looked bright and sunny.

Richard turned back to Mom. "Can we *try*?"

Mom finally gave in. But it would take lots of work.

After they got settled in their new house, Richard and Michael started looking for neighborhood kids to help. Mom

called businesses to ask for donations. Before long kids were cleaning up trash and planting flowers. They painted benches with castles, spaceships, and dragons—Erika's favorite. The whole neighborhood was helping make Erika's dream come true!

As months went by, Erika got sicker and sicker. But even when she couldn't help fix things up anymore, she and Jewel came out to cheer the helpers on.

"Remember, we want plenty of ramps for wheelchairs," she said. "This will be a playground *everyone* can play on!"

On the day the playground was finally opened, Erika wasn't there. She had already returned to Heavenly Father. But Richard, Michael, and Mom were there—along with tons of other kids. There were kids in

wheelchairs, kids on crutches, and even kids from other neighborhoods!

A new playground sign said "Erika's Dream Park."

Richard sat on a bench covered with paintings of dragons and watched everyone run and jump and swing. He knew Erika was in heaven and that she wasn't sick anymore. But it was still hard watching all those

kids play without her there.

The sun was bright and yellow like Erika's hat. Richard could feel it warm him from head to toe. He thought maybe he was feeling warm for another reason too. Like maybe the Holy Ghost was telling him that things would be OK. He knew he would see Erika again. And when she was resurrected, her body would be healthy

and strong. A smile spread across Richard's face.

"Come on, Richard!" Michael shouted from the top of the slide.

Richard jumped off the bench and ran into the sunshine to play. ♦
